Dear Sir:

Responsive to the Notice of Non-Compliant Amendment mailed November 26, 2008, in connection with the above-referenced patent application, Applicants are resubmitting herewith (in its entirety) that section of the Amendment (filed November 20, 2008) which caused it to be considered non-compliant, namely, resubmission of the drawings to properly identify in the top margin "Replacement Sheet" as required by 27 CFR 1.121(d).
